FOR IMMEDIATE RELEASE

GREYHAWK EXPANDS SENIOR STAFF – Charlie Heckman

ORLANDO, FL – We are very pleased to announce that Charlie Heckman has joined GREYHAWK in our new central Florida office location. Charlie joins GREYHAWK as a Managing Consultant, and has over twenty years of experience in the construction industry. Charlie earned a Bachelor of Civil Engineering degree from Villanova University, is a licensed engineer in two states, and has been qualified as an expert in schedule analysis, claims analysis, delay analysis and construction management.

Mr. Heckman's past experience includes performing project management, construction management, contract administration, engineering, planning and scheduling. He has managed contracts valued in excess of \$100 million including industrial, commercial and environmental projects. Charlie was previously a Contracting Officer with the Naval Facilities Engineering Command where he became thoroughly knowledgeable in the use of the Federal Acquisition Regulations (FAR). He has also worked for other construction consulting firms including MDC Systems, O'Brien-Kreitzberg and Haynes Massa & Associates.

GREYHAWK, an award-winning international construction project management and consulting firm, is a leading provider of construction/program management, construction claims, dispute resolution, scheduling, cost engineering, MEP Commissioning and LEED consulting services. An ENR top 100 firm, GREYHAWK has employees at several offices in New York, New Jersey, Texas and the United Kingdom and consistently provides construction services that result in successful projects. For more information, visit www.greyhawk.com.
