GREYHAWK Announces Partnership with Berger Group Holdings

WOODBURY, NY – [GREYHAWK](#), an international construction-consulting firm, is pleased to announce its new partnership with [Berger](#) Group Holdings (BGHi), who has recently acquired a non-controlling interest as a major shareholder. The partnership with BGHi, a worldwide leader in the consulting field, is the result of an ownership transition process at GREYHAWK that began last year. BGHi will have representation on GREYHAWK's Board and will participate on the corporate operating committee.

The BGHi partnership affords GREYHAWK enhanced global construction consulting opportunities, a strong platform for growth, a 5,000 employee strong network and will help facilitate geographic expansion. According to GREYHAWK'S CEO, Gary Berman, "We are very happy to have successfully navigated through our ownership transition, maintain our autonomy and ultimately partner with BGHi. We look forward to continued success."

About BGHi

Headquartered in Morristown, NJ, BGHi provides infrastructure engineering, architecture, environmental science and economic development services across a number of industry sectors, service lines and geographies. With over 5,000 professionals worldwide, BGHi has worked on more than 100,000 miles of highway, 2,000 miles of railroad and 3,000 bridges, as well as numerous buildings, airfields, seaports, dams and other infrastructure projects across the United States and in over 140 countries. By utilizing the firm's vast global capabilities and local responsiveness, BGHi is dedicated to providing innovative solutions for a better world. For more information, visit www.bergergroup.com.
