FRITZ MARTH JOINS GREYHAWK AS MANAGING CONSULTANT

WOODBURY, NY — February 26th, 2008—**GREYHAWK** continues to expand its client and project base with the addition of **Fritz Marth** as a **Managing Consultant** in the Mid-Atlantic region where he will be involved in marketing and sales efforts, and responsible for providing professional consulting and expert services on multiple projects. Mr. Marth's distinguished career includes 20 years of experience in construction and construction program management. He has been involved with a wide variety of infrastructure, environmental, institutional and residential projects, including highway and bridge construction; public transportation facilities (airports and railway stations); water and wastewater treatment facilities; landfills; hospitals and health care facilities; schools; hotels; and residential complexes. He has also served as a testifying expert on a variety of construction-related legal cases.

A licensed professional engineer, Mr. Marth most recently held the position of Director of Consulting at a construction claims consulting firm and has held senior-level positions at other leading construction claims consulting firms.

Charlie Boland, a Principal at GREYHAWK, says, "I am excited about this new addition to our senior professional staff and I am confident that Fritz will play a significant role in our continued success and growth."
